Your Favorite Apps

- In 2026 our February class will be **YOUR** favorite Apps.
- I began soliciting you at our April 2025 meeting and will continue at each of our fall/winter meetings (Oct, Nov, Dec, Jan) and asking you to prepare a 5-10 minute Session focusing on an App that you truly find helpful and worth sharing here
- If you need assistance with preparing presentation materials I am happy to help. Yes, one on one time. My hope is we can get 8-10 volunteers to show us your best stuff.
- If you have one you would like to submit I am officially taking candidates
